Application No. 10/034,948	:	
Filed: December 28, 2001	:	
Attorney Docket No.: P48-1303-1	:	
For: AUTOMATION OF CONSTRUCTION	:	
AND DECORATION PROJECTS	:	

This is a decision on the Petition to remove Information Disclosure Statement filed August 19, 2002.

The petition is **GRANTED**.

A review of file history reveals that on August 19, 2002 the Applicant erroneously submitted an Information Disclosure Statement (IDS), together with copies of an International Search Report and seven cited references, to form part of the above-identified application. The IDS was submitted erroneously for the wrong application. Thus, the IDS of August 19, 2002 is expunged from the application file and will not be made part of this application. Accordingly, the petition to expunge the IDS is granted.

Inquiries related to this decision may be directed to Supervisory Patent Examiner Tariq R. Hafiz at (703) 305-9643.
